WHITE LETTER NO. 05-95

From: Commandant of the Marine Corps
To: All General Officers
All Commanding Officers
All Officers in Charge

Subj: CONTRACTED MESSHALL SERVICES

1. The relief of Marines from mess duty by the contracting of messhall services enhances mission readiness by returning Marines to their units. It also raises morale for our young Marines.
2. With the exception of the Recruit Depots, contracting of mess duty functions throughout CONUS and Hawaii is appropriate. Additionally, full service contracts, including cooks and messmen, will continue at those installations where military food services structure has been eliminated.
3. Budgeting for enlisted messhalls is the responsibility of Base and Station Commanders. Funding is included in each installation's operating budget to find the contracts, and future price increases associated with approved inflation rates will be funded by this headquarters.
