Neal-

I'm sorry that I haven't called you sooner... I've been out of the office much of this month. I want to thank you for all of your effort in calling hospital staff regarding the issue of ATSDR procuring additional information from local records at the hospital. After Wendy Kaye spoke with George Reynolds, he referred her to Terri Nogas, the director of the Medical Records department at the hospital. Wendy spoke with Ms. Nogas and explained what ATSDR is interested in. It turns out that SSN's appear on some hardcopy lists that the hospital has maintained on admissions from 1975 to 1985. Ms. Nogas was quite agreeable to allowing ATSDR to come to the hospital to abstract pertinent information from their hardcopy files.

I wanted to let you know that I will be at Camp Lejeune Hospital, along with one of my coworkers, from June 28 to July 2. I can be reached via Teri Nogas at (910) 450-4126 or at the Hampton Inn at (910) 347-6500. I will try to contact you once I reach the base. Thanks again for your help and I look forward to talking with you next week.

Sincerely,

Jeanetta E. Churchill, M.S.
